Dear Ms Hsu,

LETTER OF TESTIMONIAL

We would like to take this opportunity to express our sincere appreciation for the support and media services your company has provided us.

As a Condominium Manager, I've noticed a dramatic improvement in communication and overall aesthetic appeal since installing Anjels Media's screens.

Initially, we chose Anjels Media due to their ability to provide screens that meet our specific requirements and allowed us to easily display important information and updates on the screens.

While a portion of the screen is dedicated to advertisements, they often feature benefits for the residents, which facilitates them to see our estate In-house updates as well as some gentle reminders for a gracious and considerate neighborliness which will benefit all Residents.

Overall, I highly recommend choosing digital screens for our condominium.

We look forward to having more harmonious working relationship together and good services for the better of our estate.

Thank you.

Yours faithfully,

Henry Chua
